

EL FUTURO YA ESTÁ EN CONSTRUCCIÓN

UN CAMPUS QUE EVOLUCIONA CONTIGO

¿POR QUÉ UNA NUEVA SEDE?

En ISU estamos comprometidos con ofrecer espacios que impulsen el aprendizaje, la innovación y el bienestar de nuestra comunidad.

Por eso, en 2026 abriremos las puertas de un nuevo edificio, diseñado para vivir tu vida estudiantil al máximo.

EL CAMPUS QUE MERECE

LA MONTAÑA

AULAS

A modern hallway with a striking design. The ceiling is composed of dark, parallel slats with recessed linear lighting. The walls are primarily white, with a prominent red wall on the right side. This red wall features a large, three-dimensional abstract sculpture in a matching red color. The sculpture has a curved, organic form with a small, dark, rectangular plaque attached to its side. The word "AULA" is visible on this plaque. To the left, there are several wooden doors with vertical glass inserts, set in dark frames. Small red fire alarm pull stations are mounted on the white walls. The floor is a dark, solid color. The overall atmosphere is clean, contemporary, and artistic.

CAFETERÍA

ÁREAS COMUNES

A modern, bright common area with large windows, a central wooden bar, and colorful seating. The space is open-plan with a high ceiling and recessed lighting. The large windows offer a view of a lush green outdoor area with trees and a yellow perforated metal fence. A Mexican flag is visible through the windows. The interior features a central wooden bar with a black stripe, surrounded by grey bar stools. There are several small round tables with red and pink chairs, and blue and yellow modular sofas. The floor is a light-colored wood-look laminate.

SALÓN DE PROFESORES

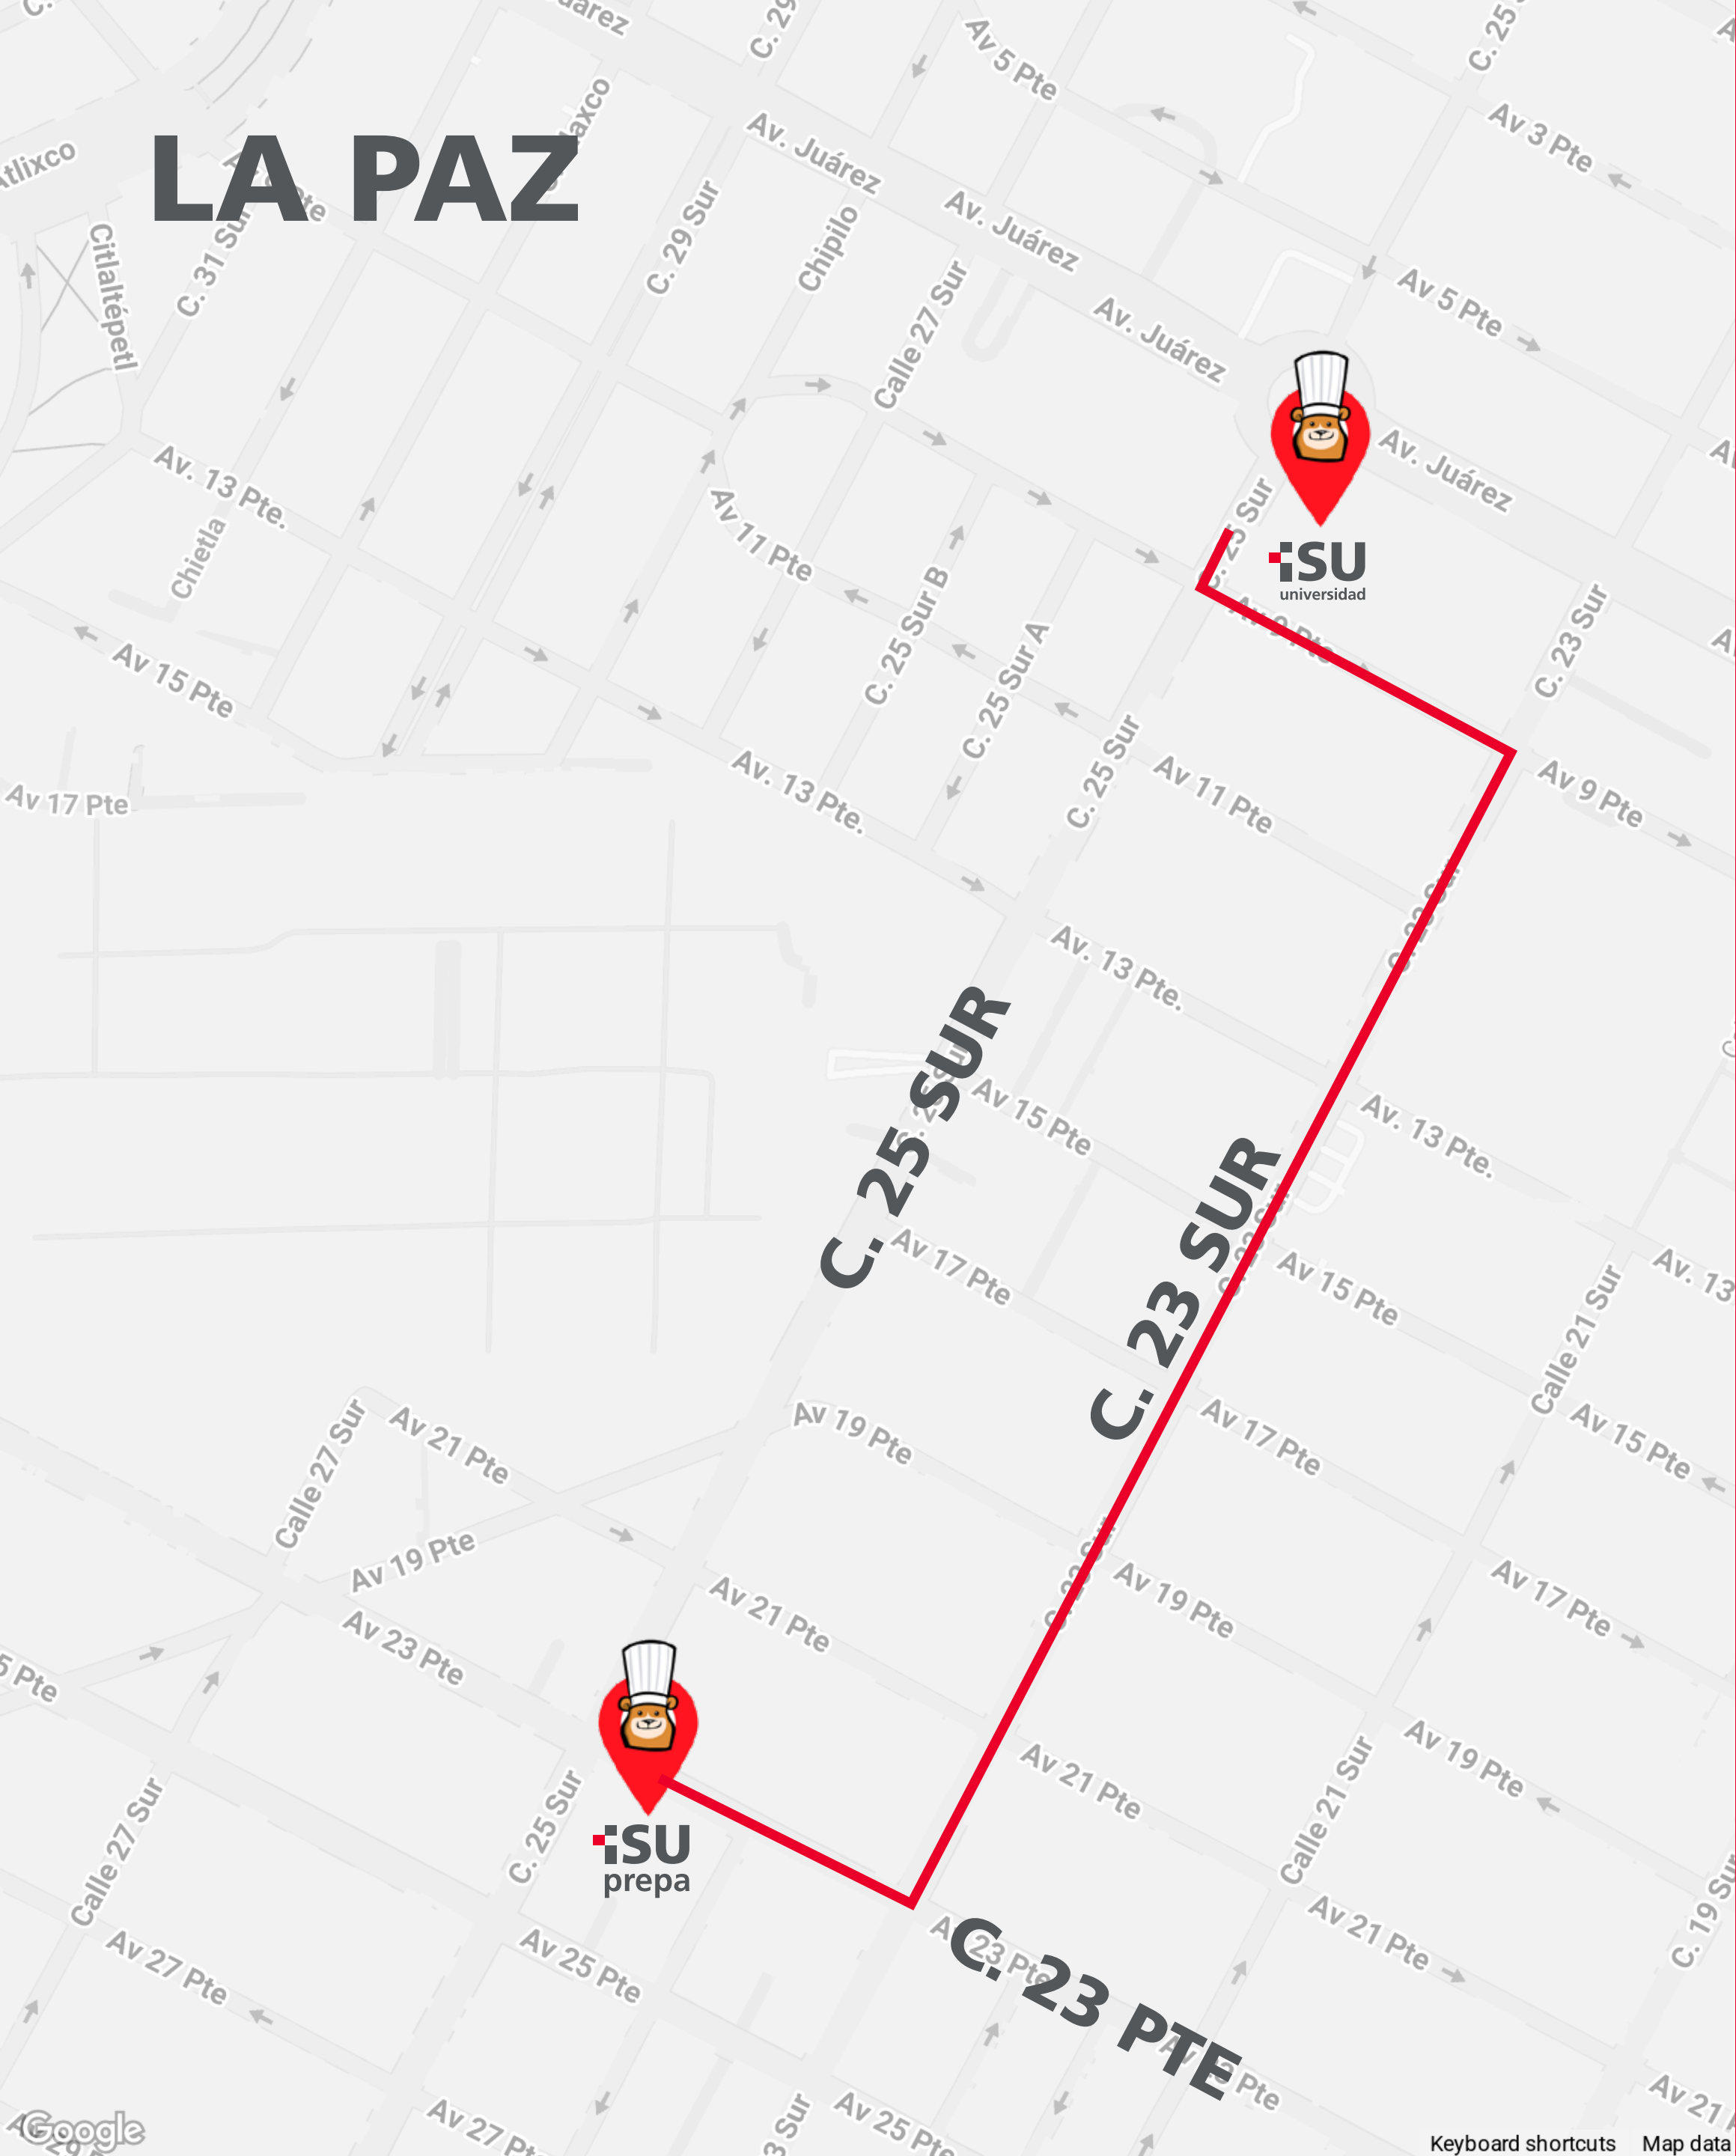

A modern library interior featuring extensive wooden bookshelves filled with books. A prominent circular green frame is centered in the background. In the foreground, there are white study desks with laptops open on them. The ceiling has several recessed cylindrical lights. The overall atmosphere is bright and contemporary.
